Article 21. To see if the Town will vote to raise and appropriate the sum of \$600.00 for Interest. - Submitted by Selectmen.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for payment to Capital Reserve Funds for road equipment. - Submitted by Selectmen.

Article 23. To see if the Town will vote to raise and appropriate the sum of \$3,500.00 for County Tax. - Submitted by Selectmen

Article 24. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of ta xes. - Submitted by Selectmen

Article 25. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same. - Submitted by Selectmen.

Article 26. To see if the Town will vote to authorize the Selectmen to auction Property taken by Tax Collector's Deed. - Submitted by Selectmen.

Article 27. To see if the Town will vote to authorize the Selectmen, and the Tax Collector, to permit the taxpayers of the Town to pay their anticipated property taxes in advance and to discount such anticipated payments, made prior to 1 November of each year, at a rate not greater than the interest rate which would be paid by the Town for borrowings in anticipation of taxes. - Submitted by Selectmen.

Article 28. To see if the town will vote to authorize the abandonment of the Dow's Crossing Road as a public highway. Submitted by Selectman.

Article 29. To see if the town will vote to appropriate a sum not exceeding \$22,500.00 for the purpose of making improvements to the following Class V roads within the Town; Dudley Brook Rd.

Mansonville Rd, Old County Rd, Holton Station Crossing
such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, 1955, as amended by Laws of 1957, Chapter 273:3, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Deering. Submitted by Selectmen.

Article 30. To see if the Town will vote to authorize the pay of the Selectmen to be \$1.50 per hour.- Submitted by Selectmen.

Article 31. To transact any other business that may legally come before the meeting.-Submitted by Selectmen.

Given under our hands this 17th day of February in the year of Our Lord Nineteen Hundred Sixty-One.

William P. Bittenbender
Whitney S. Yeaple
George F. Wolf
Selectmen of Deering, N.H.

REPORT OF THE SELECTMEN OF THE TOWN OF DEERING TO THE
VOTERS OF THE TOWN OF DEERING FOR THE CALENDAR YEAR 1960

The state of the Town has changed relatively little since our latest report to you. The year 1960 was marked, insofar as our highway equipment was concerned, by some very bad luck in breakdowns, with a resultant high cost for maintenance of this equipment. More on this at a later point in our report.

Following the vote at the Town Meeting last year, we have reappraised the real property of the Town, using the 1951 State Tax Commission evaluations as a base. We would have preferred, as was expressed in the Town Meeting last year, to have had the reappraisal done by an outside completely neutral source, but this was not voted by the Town. The average increase in appraisals was in excess of 40%, from an inventory evaluation of about \$808,000 to \$1,145,000. We have received 43 applications for abatements, and have abated taxes in 19 cases, and have denied the other 24 applications.

To summarize, the evaluation of the Town for assessment purposes was increased by over 40%, and the Tax rate, at \$4.94 per \$100. of assessment, was lowered by over 30%. We had expected a further reduction, but this was not possible, since we were not allowed to use the Class V State Highway aid as a general receipt, as we had hoped. It is fortunate, in fact, that we could not so use this fund, for otherwise the Highway Department budget would have been severely overspent.

The detailed inventory of the real properties in the Town is included in this report, as authorized by the last Town Meeting.

In connection with the reappraisal, some comment was made to the Selectmen that taxes should be assessed more on the basis of ability to pay than on the net worth of the various properties in the Town. This is not only contrary to the law, but is, in our opinion, a highly questionable socialistic concept of taxation. Suffice it to say that such an approach to taxes would drive out our summer residents, who today pay in excess of 50% of the taxes of the Town, and who gets very little directly for his tax money.

There has been objection to the reappraised values, as stated, with the comment that a high evaluation is all right with a low tax rate, but then the question is asked as to what happens when the tax rate goes up. The answer is simple - since the tax-rate is arrived at on the basis of the appropriations voted by you the tax-payer. If due caution is exercised by the voters in approving appropriations, the tax rate can stay low. If, on the other hand, heavy appropriations are made, the tax rate is bound to go up.

We expect that the tax rate can remain stable over the next few years, with only moderate increases. The largest item remains the School District, and it will probably increase rather regularly, but in small amounts, it is hoped.

The only source of long-term relief lies in a broader tax base.

either by attracting industry, or by going to a broad-base tax such as a sales tax. The voters of New Hampshire did, however, go on record against such taxes in the November election, so it appears that the property tax-payer can see no early relief in sight.

In order to increase the black-top road mileage, which should ease the highway requirements, it is recommended that the Town vote approval for Item 29 in the Town Warrant, which provides for a three-year anticipation of Town Road Aid. It is thought that the extra interest cost of such a move will be more than balanced by a reduction in the amount of care required by the roads so to be surfaced.

The Highway budget for 1960 was overspent because of serious breakdowns of some of the equipment. The loader had to be virtually rebuilt at a cost of over \$2100. The grader required extensive overhaul, and the new truck had more than its share of breakdown trouble. These expenses explain the very high expenses under the head of General Expense of the Highway Department. The equipment is now in fairly good shape, but major replacements must be anticipated in the next several years, and we consequently cannot recommend too highly that the Town approve the item for \$3000 to be added to the Capital Reserve Fund of the Town, under Warrant No. 22.

Respectfully submitted,

The Selectmen of Deering

WILLIAM P. BITTENBENDER
WHITNEY S. YEAPLE
GEORGE F. WOLF

REPORT OF THE ANNUAL TOWN MEETING

DEERING, N. H., MARCH 8, 1960

A legal meeting of the inhabitants of the Town of Deering, qualified to vote in Town Affairs, was called to order at 7:00 P. M. in the afternoon of March 8, 1960 by the Moderator, Howard E. Whitney. The meeting was opened by repeating the Lord's Prayer, led by Marie Wells.

Article 1. Ballots were cast on the Australian Ballot as follows:

Selectman for 3 years. George Wolf had 77 votes and took the oath of office.

Selectman for 1 year. William Bittenbender had 66 votes and took the oath of office.

Town Clerk. Clara T. Rich had 121 votes and took the oath of office.

Town Treasurer. Clara T. Rich had 119 votes and took the oath of office.

Tax Collector. Howard E. Whitney had 124 votes and took the oath of office.

Overseer of Welfare. Chairman, Board of Selectmen had 115 votes and took the oath of office.

Highway Agent. Carroll E. Greene had 68 votes and took the oath of office.

Auditors. Marjorie Heath had 116 votes and Eunice Willgeroth had 115 votes and each took the oath of office.

Library Trustee. Catherine L. Carew had 108 votes and took the oath of office.

Trustee of Trust Funds for 3 years. Catherine L. Carew had 109 votes and took the oath of office.

Chief of Police. Charles Williams had 119 votes and took the oath of office.

Police Officer. Harold Wells had 109 votes and took the oath of office.

Surveyor of Wood and Lumber. Board of Selectmen had 113 votes and took the oath of office.

Article 2. Upon a motion made by William Bittenbender it was voted to accept Article 2 and the Selectmen be authorized and instructed to publish forthwith in the cheapest way possible the revised authorized budget of the Town, the report of the meeting, and the detailed state-

ment of payments of 1959.

Article 3. Upon a motion made by Robert Putnam, it was voted to raise and appropriate the sum of \$2,000 for Town Officers' Salaries and \$1,200 for Town Officers' Expenses.

Article 4. Upon a motion made by John Hunter, it was voted to raise and appropriate the sum of \$150 for Election and Registrations

Article 5. To Reappraise the properties withing the Town and vote money for same, voted in the negative.

Article 6. Upon a motion made by Marie Wells, it was voted to raise and appropriate the sum of \$300 for the upkeep and maintenance of the Town Hall and other Town buildings.

Article 7. To raise \$20.00 for the Library, voted in the negative because of a vote to request the Trustees of the Trust Funds to support Library activity.

Article 8. Upon a motion made by William Bittenbender, it was voted to raise and appropriate the sum of \$1,500 for Insurance, as recommended by the Selectmen.

Article 9. Upon a motion made by William Bittenbender. it was voted to authorize the Selectmen to appoint a Planning Commission of 3 members and to raise and appropriate the sum of \$200 for the actual and necessary expenses of said Planning Commission.

Article 10. Upon a motion made by William Bittenbender, it was voted to raise and appropriate the sum of \$200 for Civil Defense purposes.

Article 11. Upon a motion made by William Bittenbender. it was voted to raise and appropriate the sum of \$200 as Deering's part of the maintenance of the Hillsboro Town Dump, which payment would authorize the unrestricted use of said dump by all inhabitants of the Town of Deering.

Article 13. Upon a motion made by Stuart Michie, it was voted to raise and appropriate the sum of \$5,000 for Winter and \$6,000 for Summer Roads.

Article 14. Upon a motion made by Whitney Yeaple, it was voted to raise and appropriate the sum of \$250 for street lights.

Article 15. Upon a motion made by William Bittenbender, it was voted to raise and appropriate the sum of \$3,000 for General Expenses of the Highway.

Article 16. Upon a motion made by William Bittenbender. it was voted to raise and appropriate the sum of \$982.07 to secure Town Road Aid.

Article 17. Upon a motion made by William Bittenbender. it was voted to raise and appropriate the sum of \$300 for Police and \$600 for Fire Departments.

Article 18. Upon a motion made by William Bittenbender, it was voted to raise and appropriate the sum of \$2,000 for Town Poor.

Article 19. Upon a motion made by Marie Wells, it was voted to raise and appropriate the sum of \$1,500 for Old Age Assistance

Article 20. Upon a motion made by Robert Putnam, it was voted to raise and appropriate the sum of \$10 for Flags for Soldiers' Graves for Memorial Day.

Article 21. Upon a motion made by William Bittenbender, it was voted to raise and appropriate the sum of \$100 for Damages and Legal Expenses.

Article 22. Upon a motion made by Marie Wells, it was voted to raise and appropriate the sum of \$200 for the Town's share of Social Security to Town Employees.

Article 23. Upon a motion made by William Bittenbender, it was voted to raise and appropriate the sum of \$600 for Interest.

Article 24. It was voted in the negative to raise and appropriate the sum of \$4,500 to extend the Hillsborough Bridge Village Water Board's water line South on Route 149, approximately 700 feet to the entrance of Warren Dobbins' land, for the purpose of supplying water for 6 new houses which said Warren Dobbins intends to construct over the next three years.

Article 25. Upon a motion made by Edward Willgeroth, it was voted to raise and appropriate the sum of \$2,000 for payment to Capital reserve Funds for road equipment.

Article 26. Upon a motion made by William Bittenbender, it was voted to raise and appropriate the sum of \$4,500 for County Tax

Article 27. Upon a motion made by Reginald Cleveland, it was voted to authorize the Selectmen to borrow money in anticipation of taxes.

Article 28. Upon a motion made by William Bittenbender, it was voted to raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same

Article 29. Upon a motion made by William Bittenbender, it was voted to authorize the Selectmen to auction Property taken by Tax Collector's Deed, such auction to be made at not less than assessed value.

Article 30. To see if the Town will authorize the Selectmen to take such action as may be necessary and appropriate to restrict the speed of boats in Deering Reservoir was passed with Amendment to read: To take such action as may be necessary in seeing the Laws of the Public Service Commission be enforced.

Article 31. Upon a motion made by William Bittenbender, it was

voted to authorize the Selectmen and the Tax Collector to permit the taxpayers of the Town to pay their anticipated property taxes in advance and to discount such anticipated payments made prior to November 1 of each year, at a rate not greater than the interest rate which would be paid by the Town for borrowings in anticipation of taxes

Article 32. Upon a motion made by William Bittenbender, it was voted to rescind prior special appropriations in the amount of \$100 for Town Hall and \$70 for Parks and Playgrounds, which special appropriations were carried as liabilities in the Balance Sheet of the Town, as of December 31, 1959.

Article 33. Upon a motion made by Paul Cooper, it was voted for the new Planning Commission (voted in Article 9) to further study Article 24 and report back at the next Town Meeting the result of their findings.

Upon a motion made by William Bittenbender, it was voted to authorize the Selectmen to take such action as they might deem appropriate to declare the School Meeting null and void, and the Selectmen be authorized to take such action as may be necessary concerning same

Upon a motion made by Robert Putnam, it was voted to have the new Planning Committee serve as head of the Old Home Day Committee.

Upon a motion made by William Bittenbender, it was voted to have the Selectmen dispose of the Old Books and dispose of or repair the furniture in the Town Hall.

Upon a motion made by Johanna Reiss, it was voted to have Mr. John Herrick's picture on the next Town Report.

It was voted to adjourn without date.

CLARA T. RICH, Town Clerk

DEERING PUBLIC LIBRARY

During the summer of 1960 the library was open three afternoons each week, which increased our circulation considerably.

In the winter when the library cannot be heated, books can be borrowed from the homes of Mrs. Segrell, Mrs. Herrick, Mrs. Michie, and Mrs. Hicks.

Our librarian used the money she made to purchase several interesting books for our collection.

In the spring, the library was given a fresh coat of paint inside and many old books were given to the 4-H paper driver.

A gift of about 200 novels was received from Mr. Horace Johnson

The bookmobile service is invaluable and the Trustees and librarian are able to select about 100 of the newest books twice a year

Our readers have increased and the Trustees feel that we have acquired a few more "Friends of the Library." Several old friends paid us a visit on Old Home Day.

FOREST FIRE WARDEN'S REPORT

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed - all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman, can play an important part in the continuing and vital prevention program.

First - by setting a good example YOURSELF - being sensible and complying with the necessary laws and regulations governing the use of fire in and near the woodlands.

Second - by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for you and for them.

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning - don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving.
4. Don't throw down lighted matches, cigars, or cigarettes, from moving vehicles - make sure they are out - use your ash tray.
5. Don't burn at home - use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires	<u>none</u>
Number of acres burned	<u>none</u>
Number of permits issued	<u>180</u>

HILLSBORO-DEERING COOPERATIVE SCHOOL
WARRANT

To the Inhabitants of the School District in the towns of Hillsboro and Deering qualified to vote in district affairs:

You are hereby notified to meet in the Hillsboro-Deering Cooperative School Gymnasium in said district on Thursday, the 9th day of March, 1961. at eight o'clock in the afternoon, to act upon the following subjects:

Article 1. To choose a Moderator for the coming year, a Member of the School Board, from Deering, for the coming five years and Auditors for the ensuing year.

Article 2. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

Article 3. To hear the reports of Agents, Auditors, Committees or Officers chosen, and pass any vote relating thereto.

Article 4. To see if the district will vote to authorize the School Board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes, which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1961-1962.

Article 5. To see what sums of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other income; the School Board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

Article 6. To see if the school district will raise and appropriate the sum of \$3000.00 to add to the capital reserve fund established for the purpose of grading the school playground in order to provide necessary drainage, or to take any other action thereon.

Article 7. To see if the district will vote to appoint a committee to work with the School Board, to study housing conditions in the Hillsboro-Deering School. This committee to report annually until dissolved by the district.

Article 8. To see if the district will vote to delete from the Annual School District Report the statement of teachers' salaries, or to take any other action thereon.

Article 9. To see if the district will vote to appoint a Finance Committee consisting of three members to meet with the School Board regarding the budget.

Article 10. To transact any other business that may legally come before said meeting.

Given under our hands at said Hillsborough this 15th day of February, 1961

SUPERINTENDENT'S REPORT

To the Citizens of Hillsboro and Deering:

It is a pleasure to present my seventh annual report for your consideration.

Educational Administration is an intriguing, perplexing and harassing profession. It is intriguing because it deals with the problems of educating our youth. "The aim of our Public Schools is education for good living. To this end we are striving to give each student the necessary information, to encourage him to form good habits, attitudes and ideals, that he may live a happy useful life to the extent of his capacities." This is stated on our report card, and to attempt its fulfillment requires an everlasting watchfulness as to the most remunerative means of meeting the requirements of each particular class and individual.

It is constantly necessary to evaluate, the best we can, our program to determine what measure of success we are having.

Three means of evaluation are:

1. To what extent are our pupils measuring up on standard tests when compared with pupils throughout the nation and state?
2. What measure of success are our graduates having in college?
3. To what extent is an individual or class working up to his or its potential?

The answers to these three questions are a report in themselves, and in order that you may be better informed on the scholastic endeavors of your school, I am reviving the practice of including a Principals' report to deal with this phase of school work.

The position is perplexing because of the growing concern relative to curriculum content. There is a school of thought that believes that the curriculum should content itself with developing the basic skills of an academic education. Another group believes that the curriculum should become involved in many non-academic subjects and activities in order that the whole body may receive some form of attention. A middle of the road effort would appear to be the answer to this problem until such time as a clear cut decision, on the part of the community, is made.

It is harassing because, on the state and national levels, there are attacks on our school systems, officials and faculties which continuously berate the educators for not accomplishing what we are supposed to accomplish. They say that our district organization is all wrong. Criticism is welcome because it is good for us, but with the right to criticize also comes the obligation of constructive suggestions

Even though we are often perplexed and harassed, we are always intrigued by the daily opportunities to make some small contribution to society, and I am proud to be, and grateful for being, an educational administrator.

Our efforts to keep abreast of the long range housing problems are not as productive as is desirable. If our enrollment projection would stand still for a few years, the problem would be more simple.

If you will examine the October, 1960 projection, and compare it with the October, 1959 projection which was printed in the 1959 Town Report, you will find that in one year our enrollment increased 47 pupils over the projection. This is a room and a half of youngsters. Our ability to provide pupil stations at this rate of growth is limited. No new evidence has been forthcoming since October 17, 1960, when I reported to the School Board on present enrollment and housing. My conclusions of that report follow:

"However, I believe the following points should be seriously considered.

1. The size of the classes in the primary unit are, and apparently will continue to be, of a size that serious consideration should be given to three divisions instead of two, for efficient and effective teaching and learning situations.

2. The increase in enrollment this year, over what our projection of last year indicated, would lead us to believe, that because of increased housing and the probable expansion at the Sylvania Plant, our projection figures in future years will be considerably increased.

These two factors alone cause me to suggest to the School Board that they request at the district meeting a citizen's committee be appointed to work with the School Board to investigate the future housing needs for the pupils of the Hillsboro-Deering Cooperative School District."

Our heating system is now getting to be of an age where it is beginning to provide considerable concern with those of us responsible for its efficient maintenance. Within the last year and a half, we have been faced with three major repair bills, and more appear to be forthcoming at any time. Inasmuch as we have but one boiler and one burner to care for the entire plant, a major breakdown in zero weather could be catastrophic. Now may be the time to replace the oil burner, control and eye.

An interesting proposal by the Chairman of the State Board of Education to reduce the number of school districts in the State to sixty should be the basis of some concern. In my opinion, this objective will not be fulfilled, but the trend is obvious. What does such a trend mean to the Hillsboro-Deering School District? I feel that it means that Hillsboro and Deering took a step in the right direction when they voted to cooperate, but that the sooner some work is done to expand the present organization, the better their position will be when and if the real drive for state reorganization of school districts arrives. This is work to be done by citizens' committees, with facts and figures supplied by the administration.

For the school year 1959-60, the per pupil cost of high school pupils was \$414.38, as compared with the State average of \$436. Our elementary per pupil cost was \$259.66, as compared with the State average of \$265. Our tuition charges for 1961-62 are \$414 for high school, and \$26 for elementary.

It has been a pleasure to work with the School Board, faculty, pupils and citizenry this past year, and I deeply appreciate their understanding and cooperation.

Respectfully submitted,

NORMAN R. HARTFIEL
Superintendent of Schools

HILLSBORO-DEERING ENROLLMENT PROJECTION OCTOBER 1, 1960

HILLSBORO-DEERING COOPERATIVE SCHOOL PRINCIPAL'S REPORT

In order to answer, as clearly as possible, the questions concerning the job that your school is doing, I have divided this report into four parts.

Part I is a chart which compares the achievement of Hillsboro-Deering youngsters with the achievement of other New Hampshire youngsters, and with the achievement of youngsters throughout the country. The chart is designed to compare what our students have learned in the areas of English, Social Studies, Mathematics and Science, with what other students have learned in the same areas.

Part II is a discussion of how well our youngsters are doing in college.

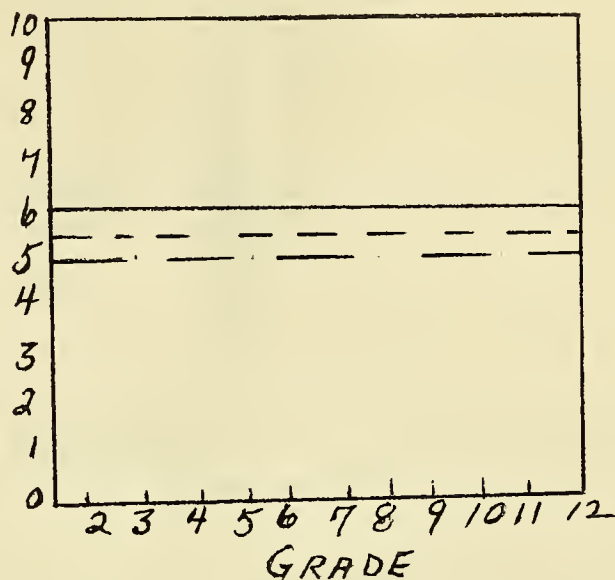

Part III, another chart, compares the results of two different

tests. Test A is designed to find out what the student can do Test B is designed to find out what the youngster actually has done

Part IV consists of some conclusions which I feel can be drawn from the evidence presented in Parts I, II and III

PART I

Level of achievement
in English, Social
Studies, Mathematics,
and Science

Key: _____ National Average

----- New Hampshire
Average

_____ Hillsboro-Deering
Average

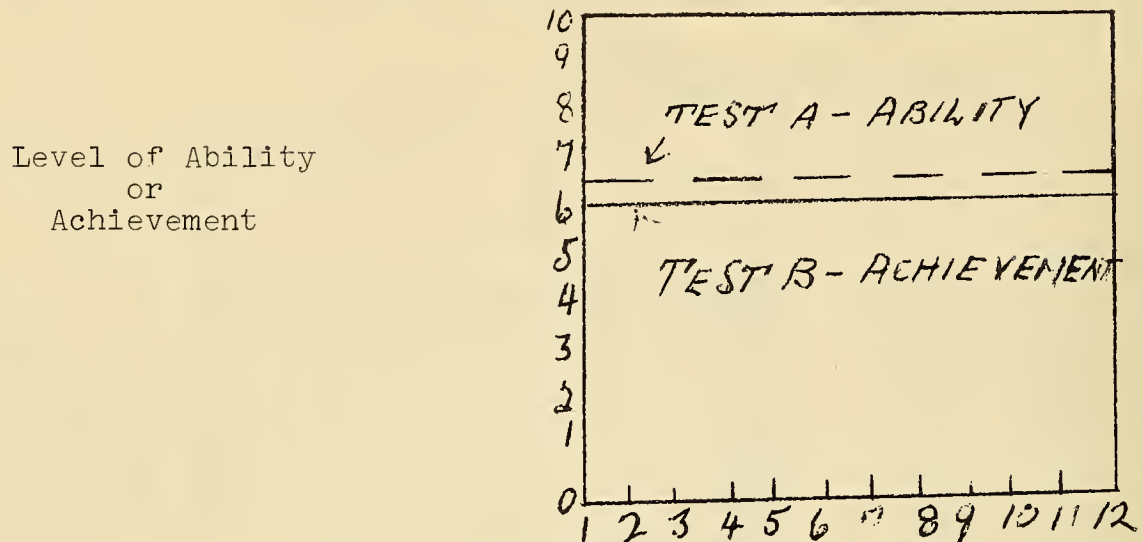

PART II

An evaluation of the college success of Hillsboro-Deering graduates requires an adequate reporting system from the colleges back to our school. During the last three years, several colleges have sent us first and second semester grades on our graduates who have enrolled as freshmen at the college in question. The following facts seem pertinent:

1. Freshmen grades in college correspond very closely with high school grades in the particular subject matter area graded; i.e: a graduate who does well in Freshman English at college, usually had good marks in high school English. On the other hand, a graduate who does poorly in Freshman English, usually had a poor English record in high school.
2. There is not a single case in our files where a youngster who did well in high school was forced to withdraw from college because of low grades. Frankly, our ratio of college graduates to college enrollees is not particularly high, but apparently the drop-outs are caused by reasons other than an inadequate high school preparation. Among the more common reasons given

for withdrawal are: marriage, lack of money, and an unwillingness to wait four years before earning an income.

PART III

PART IV

CONCLUSIONS

1. The chart in Part I indicates that Hillsboro-Deering youngsters are achieving slightly higher than the New Hampshire state average, which in turn is slightly higher than the national average. It is important to note that our level of achievement is not significantly higher than the national or state averages. It is comforting, however, that it is above rather than below.

2. Part II supports the contention that a student can receive an excellent preparation for college at Hillsboro-Deering Cooperative School. This preparation, however, is not automatic. It requires a willingness on the part of the student to work hard, and an eagerness on his part to follow through on his day-to-day preparation.

3. If, in Part III, we examine the comparison between the "can do line" (ability) and the "actually done line" (achievement), we may conclude that Hillsboro-Deering youngsters are not working up to capacity. This condition exists in nearly every school in the country, and the difference between ability and achievement is certainly not great in our case. Nevertheless, the difference does exist and should concern all of us. I am convinced that the biggest single factor - of those causing the difference - is the lack of adequate day-to-day preparation on the part of students. Parents can help by:

- a. Providing the facilities for study.
- b. Encouraging the youngsters to assume the responsibility for completing their daily homework.
- c. Consulting with teachers when grades do not measure up to expectations.

The ultimate evaluation of any school is up to the community. The

community has the privilege of deciding the type and quality of education it wishes to provide. With the privilege, however, goes the responsibility of becoming thoroughly informed on the facts concerning the operation of your school. I hope this report is a beginning in stating some of the facts. We welcome your combined interest and further concern in and for your school.

Respectfully,

ROBERT N. GOURLEY
Principal

HILLSBORO-DEERING COOPERATIVE SCHOOL DISTRICT
NURSE'S REPORT

To the Board of Education:

I am submitting an account of the school nursing work for the year 1959-60.

The pre-school registration for September 1960 took place in school on May 23 as in previous years with both teachers of first grade present, 47 registered.

I was very pleased to learn that all had their three anti-polio vaccine inoculation, and a large number of them had their 4th one or the so-called Booster. A few had not been vaccinated for small pox, but I was assured they would be very shortly.

On February 8, 1960 a T.B. patch clinic was held in school. This clinic was made possible through the New Hampshire Tuberculosis Association, under the supervision of the T.B. Nurse, Miss Constance M. Martin, R.N. and myself. All the pupils from the first grade through the twelfth grade, or 553 in all, were patched on Monday, de-patched on Wednesday, and read again on Friday for possible reactors.

This was followed by a chest x-ray clinic also held in school on April 6, 1960. The few reactors, the senior class, twenty-two teachers, the cafeteria staff, the school secretaries, the custodians, and myself, plus 45 out-patients referred to me by their physicians, were chest x-rayed; a total of 118. This privilege was extended to the employees of the Sylvania plant. Individual reports were sent to me and I distributed each one personally, all were very satisfactory.

The hearing test clinic was held in school, all the pupils from grades 1-12, 524, and several teachers were given the hearing test. This is given individually; several were found slightly defective and proper corrections made, two others were referred to an Otologist for evaluation and treatments.

A large number of pupils were taken by me to the Ophthalmologist and Optometrist for eye refractions in Concord, Manchester and here in Hillsboro. The Lion's Club paid for a few pair of eye glasses for needy ones.

A dental clinic was held at Dr. Goodman's office in Antrim This

was made possible through the generosity of the P.T.A. and the amount paid by them was matched by the State. Thirteen children had all their dental work done, each one requiring several visits to the dentist, and we are looking forward to another dental clinic in the coming year.

322 pupils received nursing care in one form or another; several were taken to their family physician, a few required x-ray and special treatments.

We had very few cases of chicken pox, a few measles. one case of scarletina, and several cases of impetigo; we had no pediculosis in school throughout the year.

Considerable welfare work was done in the shool during the year.

Free lunches were provided by the school to 23 pupils. Christmas school dinners were given to 10 pupils and paid by me with our Salvation Army Fund.

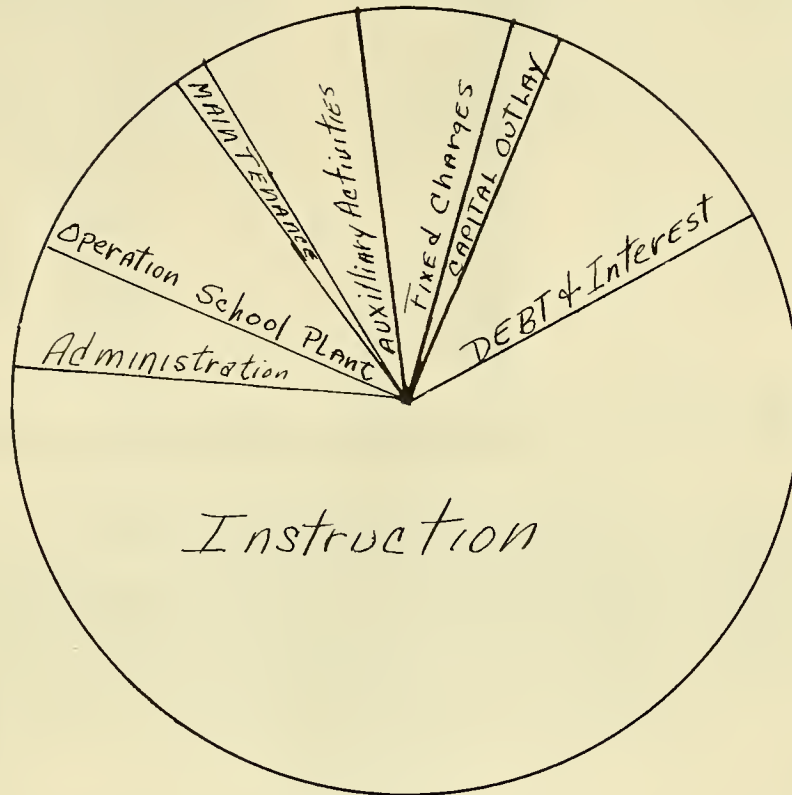

The school census was taken by me in the town of Hillsboro during the month of July and August of 1959.

I have reported to school daily, usually after lunch and during the forenoon when necessary.

Sincerely,

ANNA M. BAILEY, R.N.
School Nurse
